Swagelok Allentown: 4245 Independence Drive, Schnecksville, PA 18078 | Phone: (610) 799-9001 | info@allentown.swagelok.com

eBusiness Solutions

Research, specify and purchase Swagelok fluid system components in your native language with the aid of comprehensive online resources and customized eBusiness solutions that are supported locally by Allentown Fluid Systems, a Swagelok sales and service center.

Online quoting and ordering

When it comes to online quotes and orders, you can depend on Swagelok Allentown to deliver timely and accurate price quotes and order confirmations.

Thanks to the convenient features of our Swagelok products website, you can expect to receive confirmation for product orders automatically—usually in a matter of minutes. In many cases, you can also get fast, automatic price quotes for Swagelok products, so you have time to do more important things.

Of course, if you'd like to talk about a quote or order with a real person, we welcome your call.

CAD templates and sales drawings

Swagelok Allentown offers over a million CAD templates and sales drawings of Swagelok components.

We have the most extensive library of fluid system component CAD templates available, and we frequently add to our library of 2D and 3D templates.

Swagelok templates are available in all common CAD formats.

Additional Resources

Location/Hours

Our facility is located in Schnecksville, Pennsylvania. Regular hours of operation are Monday through Friday from 7:30 am to 5:00 pm.

Visit our eStore where you can order Swagelok components 24 hours a day. Our website offers automated pricing, online ordering and quote requests, and product & service information.

You can also e-mail your inquiry to info@allentown.swagelok.com and a member of our Customer Service Team will respond as quickly as possible.

Emergency Services

AFS offers service even when our office is closed. Our around-the-clock service team will do our best to keep your production running smoothly at all hours of the day and night.

Our dedicated and reliable on-call team can provide you with:

- Emergency order processing
- Technical support
- Emergency delivery

For emergency services, call (610) 799-9001 and follow the prompts for emergency services.

Training Services

Improve safety, increase productivity and keep abreast of the latest fluid system technologies with our comprehensive customer training and education programs.

For a comprehensive list of our available training programs, please click [here](#).

Our Swagelok Installation Certification Course is held on the second Tuesday of every month. Please contact us for more information pricing and scheduling.
