

MASTER CRAFTERS

Our Swagelok trained-and-certified **Design & Build** team is ready and waiting to help you get more out the door safely and quickly when your production schedules are tight

FIRST, OUR PROMISE:

We're your one-call local resource for premium-quality, leak-tight assemblies and subassemblies **IF** and **WHEN** your current processes are taking too long, costing too much, or placing you at too great a risk.

SECONDLY, OUR PROCESS:

We will collaborate and work closely with you – from initial concept through delivery – to ensure that what you receive is exactly what you expected. And our Swagelok-warrantied panels, skids, and enclosures are tested, inspected, and professionally packaged before shipment – and each comes as a single part number to facilitate easy/economical administration and reorders.

LASTLY, OUR PROOF:

- Gas Purge Panel and Enclosures
- Distribution Manifolds
- Custom Flex Hose Assemblies
- High-Volume Bent Tubing Assemblies
- Sample Cylinder Assemblies
- Standard Instrumentation Mounting Kits
- Ultra-High-Purity Welded Manifolds
- Gas Delivery and Distribution Panels
- Gas and Liquid Grab Sampling Panels
- Mechanical Seal Support Systems
- Instrumentation and Transmitter Assemblies/Enclosures
- High-Pressure Test Stands
- Simple and Highly Complex Tube Bending
- Heat Exchanger Tubing Coils
- Gauge Block-and-Bleed Valve Assemblies
