In addition to our world-renowned, leak-tight, ultra-reliable Tube Fittings, Valves, Gauges, Hoses, Regulators, and Instrumentation Panels, we offer a wide array of top-quality **Accessories** to help you master even your toughest application challenges:

THE SWAGelok TUBE FITTER'S TOOL CASE

Highly durable, easily portable, and weather-resistant

Case Includes:

- Hand Tube Bender
- Tee Wrenches
- Pre-Swaging Tools
- Ratchet Wrenches
- Tube Deburring Tool
- Gap Inspection Gauges
- Depth Marking Tools
- Tube Cutter
- Tube Fitter's Manual

Plus, the heavy-duty case includes a QR code with complete instructional video!

Our Swagelok Tube Fitter's Tool Case comes with everything you need to safely and properly install a fluid system!

ALSO... each item can be purchased individually:

HAND TUBE BENDERS

- For uniform, top-quality bends
- Clevis handle design provides superior leverage
- Roll dies reduce bending force
- Vice mounting block frees up user's hands to enable precise bends

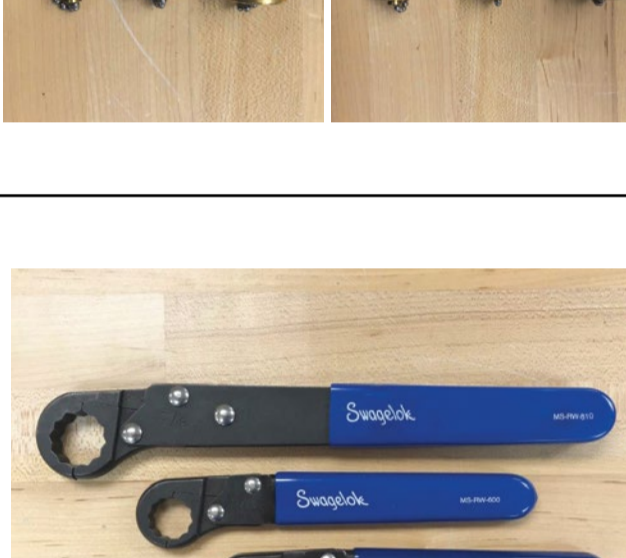

TEE WRENCHES

- Keeps all installation torque localized by holding fittings securely in place while nut is pulled up with a standard hex wrench
- Stainless steel construction
- Cushioned vinyl handle

PRE-SWAGING TOOLS

- Exceptional in limited-space installations
- Preswages ferrules onto tube prior to installation
- Gaugeable and Non-Gaugeable styles available

RATCHET WRENCHES

- Specially designed jaws enable fast engagement of hex nuts in tight quarters
- 30° ratcheting action minimizes clearance requirements
- Heavy-duty black-oxide steel/stainless steel construction

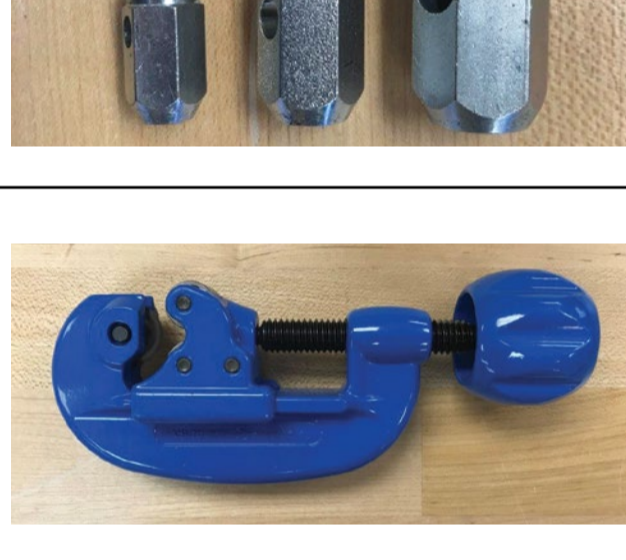

TUBE DEBURRING TOOL

- For rapid removal of burrs from cut tubing
- Significantly reduces the chance of fitting leakage and/or component damage

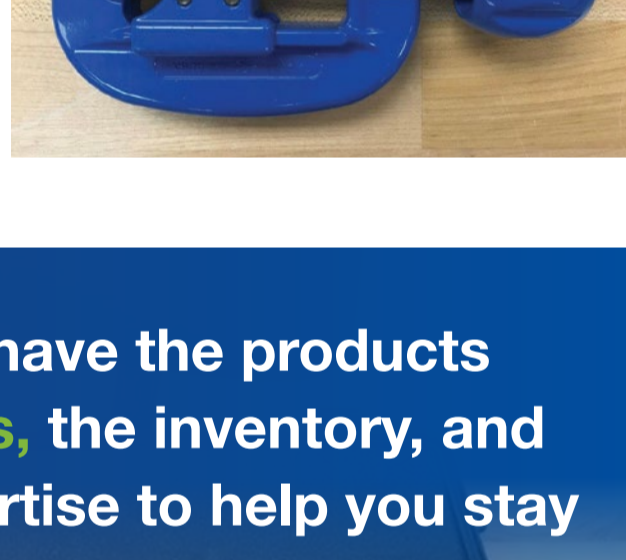

GAP INSPECTION GAUGES

- Shows installer that the fitting has been sufficiently pulled up on initial installation

DEPTH MARKING TOOLS

- Shows that tubing has been properly bottomed out for safe fitting installation

TUBE CUTTER

- 3/16" through 1"

No matter what the job, we have the products **AND supplementary essentials**, the inventory, and the unparalleled technical expertise to help you stay on-time, on-plan, and on-budget.
